All orders of 720 or more plants are free delivery except to certain remote UK postcode areas.

Please see the websites for shipping and delivery for charges.

If you are placing an order or have placed a forward order from this list, your order

will only be processed when All the plants in your order are rooted and ready

this will depend on the plant variety as some take longer to root than others.

The weather will effect the plants as we do not grow with artificial heat & light and can take longer than expected.
