Plants shown may be available sometime in the **Summer 2026**.

Please Note:

Any questions or to place a forward order please contact us via email or phone.

Plant Qty is a rough figure, our plug plants are 3.5cm & 4cm plugs.

Varieties shown below will only become available on the website when rooted and saleable unless sold.

Forwards orders can be placed and we may sell out of certain varieties.

All forward order's will be subject to any price increases.

Most of our growing stock is now grown in peat free compost.

Some plant varieties take longer than others to become fully rooted.

Order requirements: Minimum spend of £30 ex-vat not including the handling & delivery charge.

All orders of 720 or more plants are free delivery except to certain remote UK postcode areas.

Please see the websites for shipping and delivery for charges.

If you are placing an order or have placed a forward order from this list, your order

will only be processed when All the plants in your order are rooted and ready

this will depend on the plant variety as some take longer to root than others.

The weather will effect the plants, we do not grow with artificial heat & light and can take longer than expected.

Please note: some plant species can take a while to fully root and we may incur some losses during the winter.

If a plant variety has any losses we will put what stock is available into your forward order.

We are a small team and thank you in advance for your patience and understanding.

If you wish to cancel an order at anytime please contact us as soon as possible.
